A non-profit Organization

Our Mission

To aid the Fallbrook Community Center by providing funds and volunteer services which contribute to the fitness, education, and well-being of Fallbrook residents of all ages.

More than 9,000 individuals of all ages take part in activities at the community center each month. Through the years as Fallbrook has grown and budgets have tightened, FFCC has been there to help raise funds to purchase equipment, sponsor community events and subsidized affordable camps for school age children.

Please help continue these important efforts and programs by becoming a member of Friends of Fallbrook Community Center (FFCC) or donating to FFCC. Your help will go a long way toward keeping our community center a vital and enriching force in Fallbrook.
