Earn up to \$125 when you purchase and install a smart thermostat

Smart thermostats allow you to control your home's temperature through a smart device

Here's what you need to do:

1. Purchase and install an approved smart thermostat
2. Upload your purchase receipt to SDG&E's online Marketplace, and receive a \$50 rebate
3. Enroll in Reduce Your Use Thermostat, and receive an additional \$50 - \$75

Visit [SDG&E's Marketplace](#) to find a selection of eligible smart thermostats online. You can compare prices, purchase directly from a variety of local retailers and have your device shipped directly to you. Learn more at sdge.com/smarttherm.
